Issue 227 14<sup>th</sup> July 2023

Dear parents and carers,

The weather may think differently but the summer holidays are nearly upon us which means this is our last newsletter of the academic year. It's been a fantastic year here at Cledford and the children have worked so hard and done us proud... especially our year 6s who have achieved phenomenal results in their SATs.

As mentioned in our communication last week, it is the time of year when we say good bye to some staff; Mrs Dunleavey, Mrs Hulme, Miss Perry, Miss Henshaw, Miss Welch and Mrs Forsyth will all be embarking on new challenges in September. I'm sure you'll join me in thanking them for their dedication and commitment to Cledford over their time here. We're please to say that Miss Parton will be joining us full time in reception and Miss Hext will be joining our year 2 team.

Cledford had great success on the football pitch this week with our mixed team winning 6-0 against Middlewich Primary. Our girls team also did brilliantly and narrowly missed out on a win! Well done to all who played, especially to Amelia and Brooklyn who were awarded player of the match for their teams.

We hope that you enjoy the last few days of school and have a well deserved break over the summer holidays.

Have a lovely weekend

Mr Adlington  
Principal

### Uniform sale

We will be displaying all donated school uniform at the front of school in our meeting room (Dane) on Monday, Tuesday and Wednesday morning next week. Please come and take a look. If you would like any items for your child/ren we are asking for a small cash donation.

### Summer reading challenge

Middlewich Library have been to see the children to explain about the summer reading challenge. Please visit the library and take part! Any children with medals and certificates for completing the challenge should bring them to school on the first Friday back in September so that we can celebrate in our assembly.

## EYFS news

It is really starting to feel like we are reaching the end of the year. The children have brought their PE kit home and do not need it again until September. Please let us know if you find something that does not belong to you or if you are missing any kit. We have a number of items of clothing with no name which may be yours!

Reading books will be collected in on Monday alongside the 'Reading for Pleasure' books so please make sure that these are in book bags on Monday. There will be no new reading book given out.

Every child has brought home a holiday activity book. Please encourage your child to use this book a bit like a diary or a journal to write, draw and add photos or postcards etc to provide information about the summer holiday. We have provided some ideas and also a list of the tricky words they must be able to read before September and some other ideas for writing. When your child writes in the book, please draw some lines for them to write on. It is important that they continue to pay attention to letter formation, sentence construction and spelling. They have all worked so hard to master these skills this year and we want them to be ready to hit the ground running in September.

We would love to see you at 'Stay and get Exploring' and our end of year picnic on Tuesday. We will go ahead with this event in one form or another whatever the weather (!) so it would be lovely to see as many of you as possible there to celebrate with the children.

We all want to wish you a wonderful summer break. Thank you for the wonderful support and encouragement you have given your children this year. They have flourished and are all ready for the next step in their Cledford journey as they prepare for year 1. The EYFS team.

## School dinners

There are several changes to our school menu from now until the summer break. An email has been sent home this Wednesday with the full details.

If your child is in key stage 2 and you currently pay for school dinners, there will be a slight price increase from September from £2.40 to £2.50 per dinner.

If your child is going into year 3 in September please bear in mind that they will no longer be in receipt of universal free school meals. Dinners will be charged at a cost of £2.50. If you think you might be entitled to income related free school meals please visit the Cheshire East website to apply.
