a brighter future together

## **Office Manager - Mrs Kerry Roberts**

**I am the chatty girl at the front of school and have been working at Cledford Primary School since 2016, initially starting as a part-time clerical officer. I previously worked as a medical secretary for 9 years in the NHS, both in Orthopaedics and Community Paediatrics. During my earlier working years I was a team secretary working in a variety of departments in social care.**

**I have 3 sons and 1 daughter and in the words of my youngest, I am a 'faffer'....I enjoy all kind of arts and crafts and love to try and learn new things. I love spending time with my family and friends, reading, music, socialising and given half the chance, would travel the world!**
