Primary School
a brighter future together

Federation Facilities Manager

- Mr Giles Marsland

I am the Facilities Manager for the Federation Schools (Cledford Primary and Gainsborough Primary & Nursery). I am also the schools' Health & Safety Officer, as well as the Fire Marshall and a First Aider. My job is to work closely with the staff inside the schools and the suppliers and contractors outside to ensure our school sites, (and all those who use them), stay safe.

Outside of school I like hiking and cycling, and I love soul music. I also enjoy watching football (mainly Man City).
