Issue 107 4th October 2019

We say goodbye to Mrs Welch today who has worked at Cledford Primary School for the past twelve years. During this time she has worked in the school kitchen preparing and serving delicious meals to the children. She has also been a member of our school site team helping to make sure Cledford is clean and tidy for our pupils. We would like to thank her for her many years of hard work and wish Mrs Welch the very best of luck for the future.

Please can we ask again that parents choose their parking spaces carefully so that the safety of the children is not at risk. When it is busy and raining there is always a temptation to stop right outside the school but we ask that you always put the safety of the children first. A big thank you to all of you that continue to park safely each day.

Next week the governors in the 'Teaching, Learning and Assessment Committee' will be meeting for their autumn term governor meeting, the children will be practicing for our harvest festival service and year 6 are off on their residential visit.

Have a lovely weekend.

This week the children have enjoyed the story of 'Rosie's Walk' by Pat Hutchins. See the link for the online version. <https://youtu.be/aynZh1-fsBq>

This book has led to learning about prepositions: above, under, around, over etc. and number work around addition of groups of farm animals and 'which number is more?'

The children have enjoyed making hen collages, bee headdresses, building a bridge over the pond from the story and sequencing the story scenes. They have been introduced to story maps and had a go at drawing their own. In phonics sessions we have learnt new phonemes m, n, g, d and o.

The children earned a spot reward on Thursday because 49/50 children read the previous evening, well done and thank you for your support! Don't forget to come to 'Stay and Get Reading' on Thursday 10th October at 2:30pm for the chance to find out more about early reading skills and to take part in some reading activities with your child.

Have a good weekend; please keep an eye out for autumnal objects (conkers, acorns, sycamore wings etc.) when you are out and about and send them into school if you can. Thank you!

The EYFS team.
