Issue 209 10th February 2023

Dear Parents and Carers,

This week our pupils received a visit from the Canal and River Trust who delivered assemblies to key stage 1 and 2 all about staying safe around water. In Middlewich we're lucky enough to have three canals; Shropshire Union, Trent and Mersey and Wardle, which happens to be the UK's shortest canal. We also boast three rivers; Dane, Wheelock and Croco. These beautiful waterways also possess many dangers hence why we invited the Canal and River Trust to deliver these assemblies for us.

Also attached to this week's newsletter you will find a flyer for the increasingly popular Sports Cool holiday club. There are lots of free places available for those who qualify for pupil premium/free school meals.

School Car Park Reminder

•The health and safety of our pupils is of paramount importance to us at Cledford. We have some large vehicles that deliver daily to school therefore it is important that children are not on the car park so that they remain safe.

•An increasing number of parents are dropping children off in the school car park. The car park is for staff and cars clearly displaying a disabled badge. Please park courteously on the surrounding streets so that our pupils are as safe as possible.

EYFS News

'The Girl who loves wellies' by Zehra Hicks has been a great way to learn about all sorts of science, geography and maths concepts and skills. The children have also used descriptive language to talk about wellies and shoes and had great fun wearing their wellies to go out on a 'welly wander' using all their senses to discuss what they could see, hear, smell and feel. On Wednesday, the children got a letter from the old woman who lived in a shoe. She needed their help to build a better home for her and all her children. The Forest school session provided the perfect time to solve this problem and parents got involved too. I was amazed by all your creative and imaginative house building techniques! Thank you for coming. Photos will be on the website soon.

Next week, the journey will be by boat...the children are already excited to find out more!

Fingers crossed for more 'spring like' weather over the weekend.

If you have a confirmed place for Stay and Get Baking, you will need to meet us at the main entrance to school on Thursday 16th at the end of the day. We will bring your children down to meet you. The session will take place in the hall. If you were not able to get a place on the baking activity, please don't worry as we will hold another session in the summer term due to popular demand!

Thank you for your support as always. Looking forward to seeing you.

Have a great weekend,
The EYFS team
