Issue 249 Friday 8th March 2024

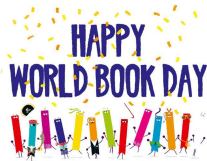

Dear parents/carers,

This week has been a week of books and sport! World Book Day yesterday was wonderful. The children and staff looked amazing in their costumes and we were thrilled to see so many parents stay and take part in the stay and read activities. After parents left school, the reading and fun continued with more activities, drop everything and read sessions as well as a special assembly! We've also hosted an inter school cross country competition this week for year 5 and 6 children from local schools. Well done to everyone who took part.

We have noticed that there are a few parents dropping off or collecting from the school car park. The carpark is reserved for those with a disabled badge and staff only. This is for the safety of the children and staff. We hope you have a lovely weekend.

EYFS News

We have been on a journey by train this week. The children have enjoyed making 'train' music, creating trains from cardboard boxes, writing about the journey, finding out more about numbers 6,7 and 8 and learning about how a steam train works.

World Book Day was great fun! Thank you for the fantastic ideas and costumes. We hope you enjoyed visiting the classroom. We have collected lots of words. We will be introducing 'word of the day' next week. Please do ask your child about this and see if they can tell you the new word and what it means. (This week they have learned *mare*, *gaggle* and *foal*).

We are off to Delamere Forest on Friday!

Please check the original letter for more information about what the children will need. In previous years we have had snow, rain, sun and everything in between so please dress your child in appropriate clothes. If there are any questions please speak to your class teacher. Any child not joining us on the trip will be spending the day in another class. We will provide some activities for them to complete.

We hope you have a lovely weekend
