Issue 32 Friday 13th June

Dear parents and carers,

It's been wonderful to enjoy the warm, sunny weather together this week – despite the odd shower. The children have made the most of it, with lots of outdoor learning and plenty of preparation for Sports Day – energy levels are high and team spirit is shining through. We're also very much looking forward to representing our school at Town Sports next week – good luck to all our athletes! This week, we've loved welcoming families to our Reading Breakfasts for Years 4, 5 and 6. It's been a real joy to see so many parents enjoying a book and a bite to eat alongside their children. Thank you for your support – these moments are so valuable in fostering a love of reading. A special thank you to our Year 6 pupils, who wowed both staff and parents with their culinary skills during their three-course meal event. Parents were invited to taste the results of their hard work and everyone was thoroughly impressed – we may have a few future chefs in our midst!

We also had a lovely visit from Miss Naylor of Middlewich High School this week. She spent time getting to know our Year 4 and 5 children and was full of praise for their maturity and enthusiasm. Finally, if you're heading to the Folk and Boat Festival this weekend, we hope you have a brilliant time.

Have a great weekend
Mr C Adlington
Principal

EYFS news

The reception children have continued on the animal topic this week reading 'Rumble in the Jungle.' They have written about the animals from the story. We have worked hard on accuracy and handwriting presentation and will continue to work on this next week. Maths work has focused on mapping skills and following directions and instructions to place an object or build models. They have enjoyed sharing the classroom with the pre-school class and showing them around the room and modelling how we play. During forest school, the children read 'Walking Through the Jungle' and had to move in different ways as they searched for the animals from the book.

Pre school children have been listening to a lovely story this week called 'Mama's sleeping scarf', singing rhymes which count forwards and back from 5 and counting forwards and back from 5 to introduce the concept of subtraction.

Nursery children have been learning more about pets. The focus is dogs this week. They have been singing 'How Much is that Doggy?', reading 'Dear Zoo' and have loved moving in different ways like animals in games like 'Simon says'. Forest school was all about collecting natural 'treasures' and pressing them into clay. The forest is in full bloom right now so there were plenty of things to choose from!

Have a lovely weekend. Enjoy the FAB festival.
