

THE PANTO OF YOUR DREAMS COMES TO NORTHWICH

# Sleeping Beauty

Welcome to Dreamland, where Princess Aurora is preparing to celebrate her 18th birthday with a huge party. Prince Derek the dragon-slayer has arrived from a far-flung Kingdom and Wally and Nanny Nora are causing mayhem as they put the finishing touches to the festivities. But King Philpot is worried. Tonight is the night of Carabosse's evil curse. Aurora will prick her finger on a spinning wheel and die. Luckily Fairy Fortitude is on hand to save the day, if only she could remember where she put her magic wand...

Sleeping Beauty celebrates Anton Benson Productions' 10th Pantooversary in Northwich - and we're delighted to be back with a brand new show; bigger, brighter and bolder than ever before! Join us on another hysterical ride through panto-land; brimful of song, dance, silly sketches, colourful costumes, sensational sets and spectacular special effects, all wrapped up in our trademark laugh-a-minute script!
