

**Cledford**  
Primary School  
a brighter future together

## **Class teacher - Mrs Hazel Dunleavy**

**I have been a teacher at Cledford Primary School since 2015 and have taught across key Stage 2 during that time.**

**I help lead English across the school and really enjoy reading the children's creative writing. My passion, and the other subject I look after, is music. I particularly look forward to the whole school singing together at special occasions such as our Harvest celebration and Christmas performances.**

**In my spare time, I enjoy spending time with my family and playing the flute.**
