

Cledford
Primary School
a brighter future together

Class Teacher - Miss Alison Parton

I am a teacher at Cledford Primary School and I am currently working in year 1.

I am the art co-ordinator and one of my favourite weeks is arts week where I am able to work with all of the year groups in school. I also get to get messy which is great!

In my spare time I love to watch movies and spend time with my friends and family.

Travelling and exploring new places is really important to me, so I like to plan new adventures when I can. I am looking forward to getting a new dachshund puppy who I'm sure will take me on a new and exciting adventure!

"Everything you can imagine is real" - Pablo Picasso
