

**Cledford
Primary School**
a brighter future together

Senior Lead Teacher - Mr Adlington

I currently teach in year 6 at Cledford Primary School but have taught across both key stage 1 and 2 throughout my career.

Having always wanted to be a teacher, I studied for my 'BA in Primary Education' at Edge Hill University. My favourite subjects to teach are maths and science.

Outside of school, I love to visit the theatre, go on long walks with my family but most of all I enjoy going on holiday... preferably somewhere hot and sunny, but I also spend lots of time camping around England and Wales.

'Life is a challenge, meet it; life is an opportunity, capture it.'
