Issue 201 18th November 2022

Dear Parents and Carers,
'Children in Need' brings yet another busy week to a close at Cledford – it was lovely to see children dressed up. Unusually, this week has been all about our Cledford parents. We've had an open day, a sharing assembly, parent lunches and our 'Forest School' has been open to reception parents. We love having parents in school and the pupils love to show off their learning and our wonderful school environment. Here's to lots more open events.
Have a great weekend.
Mr Adlington
School Principal

School Start times

Reception, Year 1 and Year 2
8:40am

Year 3, Year 4, Year 5 and Year 6

Recently, lateness of some pupils is becoming an issue.
Please arrive on time.

Messages

Mobile phones – We are seeing an increasing number of mobile phones being dropped off at the office in the morning. Please remember to email school and get permission before your child brings in their mobile phone and give a reason to why it is needed. Thank you.

Nativities – A letter was sent home on Thursday to all reception and key stage 1 parents. Please ensure you read this letter in full as it gives instructions about how to request your tickets.

Punctuality/Lateness - Pupils who are consistently late are disrupting not only their education but also that of other children in their class. Where persistent lateness gives cause for concern, further action may be taken. Cheshire East Council can issue a fixed penalty notice if a child is late after the register closes for 10 sessions or more over two consecutive half terms.

School Dinners – Next week is week 2 of our menu.

EYFS News

Nursery Rhyme week has been great fun! Thank you for the fantastic costumes on Monday. Photos will soon be on the website! The children have learnt lots of new nursery rhymes this week. Nursery rhymes are a vital stepping stone in your child's reading and writing skills. Find out why by reading the PowerPoint on the school's website: <http://www.cledford.Cheshire.sch.uk/class/reception>.

Please continue to develop their knowledge of rhymes by using the nursery rhymes booklet the children have brought home today. Our parent invitation session at forest school was a 'nursery rhymes treasure hunt' which was made a little trickier than it should have been by discovering that one of the clues had been left in the classroom! Sorry if that confused you all.

The children also have some information about Early Maths which we thought you might find useful after our 'Stay and Play-Maths' last week.

As well as singing and saying lots of nursery rhymes, the children have enjoyed the traditional tale of 'The Three Billy Goats Gruff'. They have recited, written and counted with trolls, goats, bridges and story maps galore! Please make sure you read the EYFS entry in the newsletter each week and check our page on the website regularly. All events are listed on the website and any additions to that list will be added to the newsletter and website page. Some children have words to learn for our Nativity play- they are in their reading diary. Please work on these over the weekend as we begin rehearsals on Monday! Enjoy the weekend.
