Issue 253 Friday 23<sup>rd</sup> January

Dear parents and carers,

It has been another positive and busy week at Cledford, with lots to celebrate both in school and across our wider community. We are delighted to report the continued success of week two of our Stay and Play sessions for local families with children aged 0-4. It has been lovely to welcome new and familiar faces into school and to see children and adults enjoying time together in such a relaxed and supportive environment. These sessions are proving to be a wonderful way to build connections with families in our community, and we look forward to welcoming even more families in the coming weeks.

You may also have seen our new art display shared on Facebook, created by pupils to commemorate our recent visit to the theatre to see *The Little Mermaid*. The children have worked incredibly hard and the display beautifully captures the colour, excitement and magic of the performance. It has been a pleasure to see their creativity brought to life.

Looking ahead, the weather forecast for the next 10 days looks very changeable. Please ensure that children have a coat in school every day. We believe strongly in the importance of outdoor play, and whenever it is safe to do so, children will go outside for break and lunchtime—even if it is raining a little. Being prepared helps ensure everyone can enjoy fresh air and playtime comfortably.

Thank you, as always, for your continued support.

Have a great weekend  
Mr C Adlington

## EYFS News

Reception children had a magical week! A tiny door appeared in the classroom on Monday and the children were full of ideas about where it had come from and who was using it. It turned out that elves from the story 'The Elves and the Shoemaker' were the visitors using the little door and the children's imagination has gone wild with creative activities and independent writing as they made gifts and wrote letters to leave at the door for the elves to collect!

Pre School children have enjoyed the story 'Owl Babies' by Martin Waddell. They have continued work on nocturnal and diurnal animals and events, been singing the nursery rhyme 'Incey Wincey Spider' during the rhyme time sessions and learning new phonemes and how to say them correctly by placing tongue and teeth in the right position; not easy when you are 3 and 4!

Nursery children have been reading 'Elmer', learning about the colour grey and extending their previous learning about winter through activities and songs.

Enjoy the weekend. See you next week.

Mrs Higgins and the EYFS team.
