Issue 267 Friday 19th June 2026

Dear parents and carers,

We are very much looking forward to welcoming you all to our Summer Fair this evening. It promises to be a wonderful event filled with fun, laughter, and a real sense of community spirit. Thank you, as always, to our parents and families for your continued support. Special thanks go to our PTFA and Governor Mr Richards (our resident DJ) – without these volunteers events like this simply wouldn't happen. If you're interested in joining our PTFA, please get in touch.

Earlier this week, our Year 2 children delighted parents with their sharing assembly on Wednesday. They spoke so confidently as they shared photographs and stories from their recent trip to Petty Pool. It's a trip they will never forget. We were incredibly proud of how they presented to their audience.

You may also have seen in the news this week discussions around the impending social media ban for children under the age of 16. As a school, we welcome this legislation and the focus on keeping young people safe online. In line with this, all Middlewich schools are currently working together to review the use of smartphones among primary-aged children. We are committed to a collaborative approach and hope to share further guidance in the autumn term, ensuring that all pupils across Middlewich are protected from the potential dangers associated with smartphones and social media.

We look forward to seeing many of you later at the Summer Fair.

Have a great weekend.
Mr C Adlington
Principal
