Issue 268 Friday 3rd July 2026

Dear parents and carers,

This week, we are incredibly proud to unveil our stunning new gallery display in the school hall. It celebrates our rich local community and history, featuring local schools, churches, maps, canals, the Romans, salt production and much more. It is a wonderful reminder of the heritage that surrounds us and it provides a fantastic learning resource for our pupils.

Thank you to all parents who attended parents' evening this week. It is always such a valuable opportunity to share the progress your children are making and to discuss the next steps in their learning journey. Working together ensures that every child is supported to reach their potential and we really appreciate your time.

I know that both parents and pupils are eager to find out who their new teaching teams will be for the next academic year. There is not long to wait now, with our 'move up morning' taking place on 13th July. This is always an exciting milestone and helps to ensure a smooth transition for everyone.

Looking ahead to next week, we are excited to be hosting our annual sports days. These are always lovely events, full of energy and fun. We look forward to seeing as many of you there as possible to support and cheer on the children.

Have a great weekend.

Mr C Adlington

Principal

Sports Days 2026
